

REACH CHURCH

Hello everyone,

On Easter Sunday we announced some news about Ps Graeme's health.

For our church family and friends who may have not been able to attend services at Riverstone or Parramatta, we want to be sure that you are kept informed. Our purpose is to request prayer for Graeme as he commences medical treatment on Thursday for Pancreatic Cancer.

Even though this diagnosis has come as a shock to us, there are no surprises with God. He holds all power for healing and imparts all grace to sustain us through this time. We believe his word and we know our times are in His hands (Ps 31:15). The specialists have recommended treatment that involves Chemotherapy and Immunotherapy. We are so grateful for specialists and medical treatments, they are good and we are blessed to be receiving such good care. However they are not perfect, only God and His word are perfect, so we look to Him and trust in Him to keep us strong to face this battle and bring the necessary healing in Graeme.

We appreciate our church family and friends who will stand with us in prayer (and fasting if you feel led to do so), and we thank God for the gift of your friendship which has celebrated with us in times of joy and now stands with us during our time of testing.

Please pray for Graeme as he surrenders himself to God and to the treatment pathway before him. Pray that he will not be subject to serious side effects, that the pain will be kept under control, and that God in His mercy will bring complete healing of cancer. We also ask if you would be kind enough to remember our family as we journey with Graeme through this time. Pray that we will receive the wisdom, grace and strength that we need for each day, and that Jesus Christ will be glorified.

We will be updating the church from time to time regarding Graeme's progress, but should you have any questions or concerns regarding us, please see any of the pastoral team and they will be able to help you. If you would like to personally encourage Graeme, feel free to email him at graemef@rchchurch.org.au

God bless and thanks for standing strong with us.
